ABOUT

VILLAGES OF VALENCIA

What makes the Villages of Valencia your kind of community? Maybe it's the peaceful location, nestled in a beautiful sand ridge, just minutes away from downtown St. Augustine, the Intracoastal Waterway and the Atlantic Ocean. Or perhaps it's the quaint neighborhood feeling. Most likely it's the feeling you get when you step through the front door of your new home. New home prices start in the low \$200s, with low HOA and no CDD fees. There's no place like home.

Map is conceptual and not to scale. Actual development, including any planned or proposed features, may vary from the map and be outside of the control of MasterCraft Builder Group.

HIGHER STANDARDS 2.0
